Hon. [illegible]
U.S. House of Representatives
Washington D.C.

Dear Mr. Wydler:

An article in a Young Americans for Freedom publication noted that Gen. Karl Mundt criticized the Warren Commission for employing a staff member with Communist front affiliations. Specifically mentioned was NYU professor Norman Redlich, a member of the National [illegible] Civil Liberties committee, which in addition alleges is a communist front.

I would like to know whether this statement is true, and if so, who is

responsible for appointing Mr. Riddick and confirming his appointment, and why he was selected.

I will be very grateful for any information you can give me.

Sincerely,
